

Brownfields Grant Workshop:

How to Write a Better Proposal

The U.S. Environmental Protection Agency (EPA) Region 6 Brownfields Team is holding a workshop on Tuesday, August 22, 2006 at the Peabody Hotel in Little Rock Arkansas to assist local, state, and tribal government entities and nonprofits to better understanding the grant criteria and selection process for EPA's National Brownfields Assessment, and Revolving Loan, and the new CARE initiative. Specifically, the workshop will include the following agenda topics:

- Threshold Criteria
- Ranking Criteria
- Tips to Site Selection and Evaluating the Viability of Brownfields Projects

Who Should Attend?

Entities from local, state, and tribal governments and nonprofits interested in applying for Brownfields Assessment, CARE initiative, Revolving Loan Fund, and Cleanup Grants are encouraged to attend. The event is being sponsored by EPA and is free of charge to all participants. Attendees will be responsible for their own travel expenses. Those interested in attending are encouraged to register as soon as possible, as workshop space is limited.

Workshop Date and Location

The one-day workshop will be held in Little Rock, Arkansas on August 22, 2006. The workshop will be held from 8:00 AM to 4:00 PM.
